

13<sup>th</sup> September 2019

Dear Parents

This term we will be making visits to our 'woodland' area at the top end of the school field every Tuesday. Please ensure the children come dressed in school uniform and bring **old clothes or clothes that you do not mind getting dirty and boots** in a named bag. At the woodland the children can explore outside of the classroom. We spend the majority of the session at the woodland. We have fun finding mini-beasts, using different resources; have snack outside - to name a few of the activities that we engage in!

Thank you for your continued support.

Karen Clarke
