

History, Geography and Science in Reception

	Autumn	Spring	Summer
Objectives	<ul style="list-style-type: none"> • ELG –UW(PC)—Children talk about past and present events in their own lives and the lives of family members. They know about similarities and differences between themselves and others, and among families, communities and traditions. • ELG UW (W)—Children know about similarities and differences in relation to places, objects materials and living things. They talk about the features of their own immediate environments and how environments' might vary from one another. They make observations of animals and plants and explain why some things occur and talk about changes.
