

MONTGOMERY

INFANT SCHOOL AND NURSERY

E-Safety

The internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, on a range of devices. However, the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge. You may sometimes feel that your children have better technical skills than you do, however children and young people still need advice and protection when it comes to managing their lives online.

KEY STAGE 1

Pupils should be taught to:

'Use technology **safely** and **respectfully**,
keeping personal information private;
identify where to go for **help and support**
when they have concerns about **content** or
contact on the internet or other online
technologies.'

Our eSafety Top Tips!

1 People you don't know are strangers. They're not always who they say they are.	2 Be nice to people like you would on the playground.
3 Keep your personal information private.	4 If you ever get that 'uh oh' feeling, tell a grown-up you trust.

S Stay Safe Don't give out your personal information to people / places you don't know.	M Don't Meet Up Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.	A Accepting Files Accepting emails, files, pictures or texts from people you don't know can cause problems.	R Reliable? Check information before you believe it. Is the person or website telling the truth?	T Tell Someone Tell an adult if someone or something makes you feel worried or uncomfortable.
Follow these SMART tips to keep yourself safe online!
