Nursery parent job roles

Dear Parents,

A Tapestry post last month invited you to send in photos of yourself with your job role, including a photo in uniform if you wear one. We have received a few of these and would like to have more to make a display in Nursery about the different jobs that people do.

Next week, we will begin talking about jobs and would be excited to share your roles with the children.

You can send in your photo on Tapestry or as a paper copy. There is a guide on the school website for adding a Tapestry post - <https://www.montgomery-inf.essex.sch.uk/tapestry/>.

Thank you for your support,

Miss Curtis
