

Monday 10th July 2023

Dear Parent/Carer

Next week we will be holding the Year 2 end of term parties from 4pm – 5:15pm. Children are asked to return to school in their party clothes. There will be music, dancing and party games. Please ensure that children's clothes are suitable for the hot weather, it becomes very hot in the hall.

The dates are as follows:

Cat: Monday 17th July
Yeti: Tuesday 18th July
Chameleon: Wednesday 19th July

Staff will meet children at the entrance to the main hall, which can be found to the right of the main reception area on the front playground. This will also be the collection point.

Children will be given a paper plate to fill with snacks/party nibbles to enjoy during the party. Please send children with their plates when they return on the evening of their party.

We ask that:

- children bring their plates along to the party when they return **after school**
- plates are clearly named
- plates are covered with foil or cling film
- you do not include nuts, sweets or hot food

Children will eat only the food sent in from home, they will be unable to share party food because of dangers around allergies.

We look forward to celebrating the end of a great year with our amazing Year 2 children.

Thank you for your support,
Year 2 Team
