Forest school arrangements – Tuesday 14th May 2024

Elephant class

Dear Parents/Carers,

Elephant classes have their Forest School session on **Tuesday 14th May 2024**.

These sessions take place during the school day, in the woodland area, on the school grounds and are led by Mrs Keogan, our Forest School Leader.

Please be aware that Forest school is likely to go ahead in any weather, so please ensure your child has appropriate waterproof clothing and footwear if the forecast is for wet weather.

The children will need to come to school in their suitable non-uniform clothes. They will need to bring wellies, or other suitable outdoor footwear, in a clearly named plastic bag, along with their school uniform to change into later in the day.

Many Thanks,
Mrs Keogan - Forest School lead
