

January 2025

Dear Parents and Carers,

Next week we will be starting to send home our book sacks. Each sack contains a book and a specially chosen soft toy.

The sack will come home with your child on a Monday and please can they be returned on the Friday, or the last day of the week your child attends. If the book is not returned we cannot give out another due to limited stock.

Please spend time with your child, looking at the book and sharing the story. Encourage your child to look after the book and toy, so that other children can also enjoy them.

If you want any ideas and things to do with your child when sharing books, please use the following links:

Please make it fun and enjoyable for your child, they may want the book over and over again or they may only want to quickly look at it. This does not matter, but make it a special as possible to nurture their interest in books.

Thank you for your support in this.
